2. Students (and their welfare)

- General characteristics:
Wynn Vale students predominantly reside in the allocated school zone. Our level of disadvantage is six. There are a small number of English or Additional Language Dialects and Aboriginal students.
- Student well-being programs:
The school has buddy classes established which work together on a regular basis. This time is used to reinforce collaborative learning and positive behaviour.
Year 7 House Leaders are positive role models who are given leadership responsibilities and work closely with students across the school.
- Student support offered:
School Service Officers are employed to support students with Special Needs and support student learning in Literacy blocks. The school has an Assistant Principal responsible for coordinating student support in classes, a Pastoral Support Worker and an Aboriginal Community Education Officer, who works closely with our school community.
- Student management:
The School's Behaviour Management Policy is in line with the Department for Education policy. The school has three main values of Respect, Relationships and Resilience which underpin whole school behaviour management procedures. Behaviour Management is

reviewed annually. Play Is The Way is followed from Reception to Year 7.

- Student government:
Student leadership is promoted through a range of avenues such as House Captains, crossing monitors, leading school assemblies, sports monitors and leaders.
- Special Programs:
A range of intervention programs cater for the learning needs of students who are identified as not meeting local or national benchmarks.
Learning experiences are available to students through the Instrumental Music program.
Specialist teaching is provided through the NIT structure: Dance/Drama, Language – Japanese and Science. The school has a focus on Performing Arts. There is a School Choir, ably led by a Music specialist teacher, Wakakirri and Children's University.

3. Key School Policies

- Site Improvement Plan and other key statements or policies:
The whole school community has identified core values, which form the basis of our philosophy behind practice. They are:

Relationships, Respect, Resilience

The Site Improvement Plan reflects a strong focus on the improvement of student progress in Reading and Mathematics, with a particular focus on the proficiencies.

(Also see Annual Report)

4. Curriculum

- Subject offerings:

There is a strong emphasis on the integration of Literacy, Numeracy and Information Technology across the curriculum. Resource based learning is an integral part of learning across the school. Specialist programs are provided in Dance/Drama, Science and Japanese. Teachers in like year groups work together to plan, deliver and assess students' learning. Structured professional dialogue and data inquiry through our Professional Learning Communities is integral to the implementation of the Australian Curriculum across the school.
- Special needs:

The Assistant Principal coordinates students with additional needs, works with staff and parents to provide a curriculum that supports students with disabilities, learning difficulties, English or Additional Language Dialects to improve learning outcomes.
- Student assessment procedures and reporting:

An Acquaintance Night, Parent/Teacher interviews and twice yearly formal reports form part of the assessment and reporting process.

Formal reports are sent out twice a year using A-E gradings. The school uses a centralised database system to track and monitor student achievement and growth.
- Joint programs:

We share the Resource Centre and Canteen with Golden Grove Lutheran Primary School. Some joint social activities take place.

The School is a member of the Golden Way Partnership and engages with training and development and regular meetings with Partnership schools.

5. Sporting Activities
